

Fact sheet:

Daawat Quick Cooking Brown Basmati

Innovative Premium Basmati

Daawat Quick Cooking Brown Basmati is made using the unique hydration enhancement technology (HET) which moisturizes the bran layer. This helps water penetrate the grain easily while cooking, so you can serve wholesome brown rice goodness in just 15 minutes.

Best Quality

The unique Daawat Octa-Q process ensures that nothing but the purest and original basmati grains, that are grown in select parts of Northern India, are packed in Daawat Quick Cooking Brown Basmati Rice. This process starts with sourcing from authentic basmati origins and follows stringent quality procedures throughout the whole production process to guarantee the best quality and the finest of Basmati.

The Art of Daawat Basmati

Since ageing is what makes basmati perfect, Daawat pioneered the use of modern moisture and temperature controlled high-tech storage systems, where paddy is carefully aged for 12 to 18 month to bring out the full natural aroma, taste and goodness.

PRODUCT FACTS

Ingredients	100% Basmati
Content	1 kg
Sales Packaging	Polybag (10x7x18 cm)
Sales units per packing unit	20
Allergen information	---
Shelf life	12 months
Storage advise	Store in a cool dry place

NUTRITION FACTS

(per 100 g of uncooked rice)	
Energy	350 kcal
Carbohydrate	75 g
Sugars	0 g
Protein	9.7 g
Total Fat	2.5 g
Saturated fat	0 g
Salt	0.01 g
